

The purpose of the *Great Reset* is the imposition of a health dictatorship aiming at the imposition of liberticidal measures, hidden behind tempting promises of ensuring a universal income and cancelling individual debt. The price of these concessions from the International Monetary Fund will be the renunciation of private property and adherence to a program of vaccination against Covid-19 and Covid-21 promoted by Bill Gates with the collaboration of the main pharmaceutical groups. Beyond the enormous economic interests that motivate the promoters of the *Great Reset*, the imposition of the vaccination will be accompanied by the requirement of a health passport and a digital ID, with the consequent contact tracing of the population of the entire world. Those who do not accept these measures will be confined in detention camps or placed under house arrest, and all their assets will be confiscated.

Mr. President, I imagine that you are already aware that in some countries the *Great Reset* will be activated between the end of this year and the first trimester of 2021. For this purpose, further lockdowns are planned, which will be officially justified by a supposed second and third wave of the pandemic. You are well aware of the means that have been deployed to sow panic and legitimize draconian limitations on individual liberties, artfully provoking a world-wide economic crisis. In the intentions of its architects, this crisis will serve to make the recourse of nations to the *Great Reset* irreversible, thereby giving the final blow to a world whose existence and very memory they want to completely cancel. But this world, Mr. President, includes people, affections, institutions, faith, culture, traditions, and ideals: people and values that do not act like automatons, who do not obey like machines, because they are endowed with a soul and a heart, because they are tied together by a spiritual bond that draws its strength from above, from that God that our adversaries want to challenge, just as Lucifer did at the beginning of time with his "*non serviam*."

Many people – as we well know – are annoyed by this reference to the clash between Good and Evil and the use of "apocalyptic" overtones, which according to them exasperates spirits and sharpens divisions. It is not surprising that the enemy is angered at being discovered just when he believes he has reached the citadel he seeks to conquer undisturbed. What is surprising, however, is that there is no one to sound the alarm. The reaction of the deep state to those who denounce its plan is broken and incoherent, but understandable. Just when the complicity of the mainstream media had succeeded in making the transition to the New World Order almost painless and unnoticed, all sorts of deceptions, scandals and crimes are coming to light.

Until a few months ago, it was easy to smear as "conspiracy theorists" those who denounced these terrible plans, which we now see being carried out down to the smallest detail. No one, up until last February, would ever have thought that, in all of our cities, citizens would be arrested simply for wanting to walk down the street, to breathe, to want to keep their business open, to
